Creative Baking Competition: Create and bake "your" Europe!

Try to express your feelings for Europe by joining this competition.

There are no limits to your fantasy

Show us your baked idea of Europe. Your baked goods can be sweet or savoury; they can be colourful or decorated with seeds or special items... Whether you work alone or in a group – everything is possible. Just use some sort of simple dough, be creative and realize "your" Europe as a shaped bread.

This is how it works

Use a simple baking tray as a background for your dough and design this area, as you like. Please send a photo of your creation on your baking tray, name it, and describe your idea (max. 200 words), and send it to: info@ileu.net.

Work in progress.

Ready for the oven.

Competition 2018 Bread connects EUROPE

About Bread connects

Bread is so much more than just a basic food. For many centuries, bread has been a symbol for community and sharing in almost every culture and religion in Europe. Since bread connects us in so many ways, we have named our project "Bread connects". The call for campaign "Give a sign of friendship" and the competition "Bread connects Europe – Create and Bake" are part of "Bread connects". <http://bread-connects.tastes-of-danube.eu>

About the Danube-Networkers

In 2008 during the International Danube Festival in Ulm the educational network „Danube-Networkers“ was founded. By now, more than 100 civic organizations from 12 countries of the Danube region take part in this network. The civic organizations are specialized in education, culture, social affairs, environment, higher education or schools. The Danube-Networkers have realized several transnational European projects along the Danube. By their cooperation, the network promotes a peaceful unity in the Danube region and in Europe. The network is celebrating its tenth anniversary this year. In 2014, the association Danube-Networkers for Europe (DANET e.V.) was founded. <http://danube-networkers.eu>
