About Bread connects

Bread is so much more than just a basic food. For many centuries, bread has been a symbol for community and sharing in almost every culture and religion in Europe. Since bread connects us in so many ways, we have named our project "Bread connects". The campaign "Give a sign of friendship" and the competition "Bread connects Europe – Create and Bake" are part of "Bread connects".

About the Danube-Networkers

In 2008 during the International Danube Festival in Ulm the educational network „Danube-Networkers“ was founded. By now, more than 100 civic organizations from 12 countries of the Danube region take part in this network. The civic organizations are specialized in education, culture, social affairs, environment, higher education or schools. The Danube-Networkers have realized several transnational European projects along the Danube. By their cooperation, the network promotes a peaceful unity in the Danube region and in Europe. The network is celebrating its tenth anniversary this year. In 2014, the association Danube-Networkers for Europe (DANET e.V.) was founded. <http://danube-networkers.eu>

Give a sign of friendship!

From wool to baked goods

In 2014, the Danube-Networkers organized an amazing project: A handmade, woolen Rivercarpet made by people coming from all Danube countries, demonstrating the solidarity among the Danube countries and in Europe and involving as many people as possible. More than 6.000 people took part and knitted a 1.500 km long friendship ribbon, and 3647 Danube pieces made of wool.

This year the challenge is a virtual one:

Thus, we will create a virtual ribbon of friendship by taking a photo with a baked good and showing this leaflet.

Be part of something bigger:

1.000 signs for our 10th anniversary.

So far we received around 100 signs of friendship. (<http://bread-connects.tastes-of-danube.eu/give-a-sign-of-friendship/>) Since it is the Danube-Networkers 10th anniversary, we would like to set a benchmark: 1.000 signs of friendship would be a good marker for a peaceful and solidary community in the Danube countries and in Europe. During the 11th International Danube Festival in Ulm/Neu-Ulm we will show all pictures.

Taking part is easy

Just take a picture of yourself or your friends holding a bread/baked good and this leaflet. Send us your picture until June 30th 2018 (info@ileu.net). People of all ages, ethnic origins and social backgrounds are invited to participate.

Join us by giving a sign of friendship!

The Institute for virtual and face-to-face learning in adult education at Ulm University (ILEU e.V.) organizes this campaign. By participating, the participants transfer ILEU e. V. the right to show their pictures on- and offline. They also assure that they own the image rights for the people photographed.
